About New Braunfels Utilities:

Dedicated to excellence in service, NBU is one of 2,000 community-owned, not-for-profit public power electric utilities in the nation. The mission of NBU is to enhance the quality of our community by providing innovative, essential services. Governed by a Board of Trustees comprised of local residents appointed by the New Braunfels City Council, NBU is committed to being a recognized and trusted community partner, providing electric, water, and waste water services. The profits of NBU are continually invested back into the systems of the customers we are privileged to serve. NBU provides an annual payment to the City of New Braunfels which is used to pay for services such as fire, police, and parks.
