Energy Star \$50 CCE (Tiers 1 or 2) \$200

Washer Brand: _____ Model: _____

Date of purchase: _____ Date of installation: _____

Who installed the washing machine? _____

How did you learn of the rebate? _____

Read and initial items below

_____ I understand that to qualify for a rebate, the washing machine must be an Energy Star rated or Consortium for Energy Efficiency (CEE) tier 1 or 2 rated washing machine.

_____ I understand all rebates and supporting documents must be submitted within one year of the work being performed.

_____ I agree to allow NBU to perform any necessary inspections, both during initial installation and in the future.

_____ I understand NBU reserves the right to deny any rebate request if the applicant does not conform to the program qualifications, procedures and specifications, with no exceptions. NBU reserves the right to terminate this program at any time and only NBU approved applications are eligible for payment under this rebate program.

Program Requirements (All requirements must be met)

• Rebates are applied on any qualified single-loaded, new, high efficiency washing machine. Only CEE Tier 1 & 2 rated, and Energy Star rated washing machines are applicable

Please visit the Consortium for Energy Efficiency website at www.cee1.org for an up-to-date list of qualifying washing machines.

Visit the Energy Star website at <https://www.energystar.gov/productfinder/product/certified-clothes-washers> for an up-to-date list of qualifying washing machines.

• This program is available to NBU residential water customers only.

- Residential Customers who live in apartment complexes/condos/townhomes that receive NBU water, may qualify for this rebate program even if the customer does not receive an NBU water bill.
- The program offers one \$50 (for Energy Star) or \$200 (for CEE) rebate per qualified high efficiency washing machine. Limit one rebate per residential dwelling unit.
- Rebates are paid in the form of credit, which will be applied to the customer's water bill following verification of installation. A customer's signature on the application implies consent to a post installation inspection at NBU's discretion and certifies that installation has taken place.
- To obtain a washing machine rebate, the customer shall present an original unaltered and dated sales receipt for NBU approval as proof-of-purchase along with a completed rebate form. The make and model number of the equipment must be identified on the receipt. The customer shall provide proof that the washer purchased meets the criteria for High Efficiency specifications for resource efficiency. All rebates and supporting documents must be submitted within one year of the work being performed.
- The customer shall complete the NBU rebate application available at the NBU Main Office at 263 E. Main Plaza
- New Braunfels Utilities reserves the right to terminate this program at any time and only NBU approved applications are eligible for payment under this rebate program.
